

Heart of Florida Conference 2016 Spring Gathering

Saturday, May 21, 2016

9:00 a.m.—Noon

The Heart of Florida Spring Gathering has invited **Pastor Jared Witt**, formerly of St. Stephen Lutheran Church, to present to us information about the **newly formed Castle Church Brewing and Faith Community**.

**ALL
ARE
WELCOME**

Bring a friend! Join us to hear what Pr. Jared has to say about an idea that is new to the Orlando area but thriving in other locations worldwide! The idea is about how to bring God's Word to the unchurched and those restless with church. We anticipate this time of fellowship to be not only interesting and enlightening but also a conversation starter!

The Heart of Florida Conference is a collection of ELCA congregations from Orange, Osceola, Seminole, Sumter, and Lake Counties. The purpose of the conference is to encourage interdependent relationships amongst conference congregations that are focused on missional cooperation, local issues, and fellowship.

The gathering will be held at Redeemer Lutheran Church, 3377 Aloma Avenue, Winter Park, FL 32792 in Agape Hall. Light refreshments provided.
